2D SESSION

H. R. _____

To direct the Postal Regulatory Commission to review and modify market-dominant ratemaking system rules as a result of the enactment of the USPS Fairness Act, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

Mr. CONNOLLY introduced the following bill; which was referred to the
Committee on _____

A BILL

To direct the Postal Regulatory Commission to review and modify market-dominant ratemaking system rules as a result of the enactment of the USPS Fairness Act, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE; FINDINGS.**

4 (a) SHORT TITLE.—This Act may be cited as the
5 “Ensuring Accurate Postal Rates Act”.

6 (b) FINDINGS.—Congress finds the following:

1 (1) The review of the market-dominant rate-
2 making system conducted by the Postal Regulatory
3 Commission (in this Act referred to as the “Com-
4 mission”) pursuant to section 3622(d)(3) of title 39,
5 United States Code, resulted in the Commission’s
6 Order Number 5763 (submitted on November 30,
7 2020) adopting final rules for the system of regu-
8 lating rates and classes for market dominant prod-
9 ucts.

10 (2) Such final rules rely in major part upon an
11 earlier finding of the Commission that the then-ex-
12 isting system of market-dominant ratemaking had
13 not enabled the United States Postal Service to
14 achieve medium- and long-term financial stability.

15 (3) The Commission’s findings as to medium-
16 and long-term financial stability rested upon its cal-
17 culation of deficits (largely relating to retiree benefit
18 obligations) accumulated on the Postal Service’s
19 books of account.

20 (4) Section 102(c)(1) of the USPS Fairness
21 Act (section 102 of Public Law 117–108) canceled
22 the unpaid Postal Service obligations under section
23 8909a of title 5, United States Code, thereby remov-
24 ing an essential basis of such final rules.

1 (5) Such final rules also did not adequately
2 take into account the benefit to the Postal Service's
3 financial condition from the growth of its competi-
4 tive products and competitive revenues or other im-
5 provements in its financial condition during and fol-
6 lowing the Covid-19 pandemic.

7 **SEC. 2. POSTAL REGULATORY COMMISSION REVIEW AND**
8 **MODIFICATION OF MARKET-DOMINANT RATE-**
9 **MAKING SYSTEM RULES.**

10 (a) REVIEW.—Not later than 90 days after the date
11 of enactment of this Act, the Commission shall, pursuant
12 to subsection (d)(3) of section 3622 of title 39, United
13 States Code, and subject to the requirements, terms, and
14 conditions of such section, conduct a review of the market-
15 dominant ratemaking system in effect immediately prior
16 to the adoption of Commission Order Number 5763 to de-
17 termine whether such system can achieve the objectives
18 of subsection (b) of such section 3622, taking into account
19 the factors in subsection (c) of such section.

20 (b) RULES CARRYING OUT SYSTEM.—Not later than
21 1 year after the date of enactment of this Act—

22 (1) if under the review conducted in subsection
23 (a) the Commission determines that such system re-
24 quires modified rules or alternative rules to achieve
25 such objectives, the Commission shall issue such pro-

1 posed final rules as are necessary to carry out such
2 system; or

3 (2) if under the review conducted in subsection
4 (a) the Commission determines that such system
5 does not require modified rules or alternative rules
6 to achieve such objectives, the Commission shall
7 issue such proposed final rules as are necessary to
8 carry out such system.
